**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.  
**IMPORTANT:** Carefully read all directions, notes and conditions prior to use. Only use this product as directed on the label. For outdoor use only. Oxidation from sun and elements can cause permanent discoloration on outside surfaces. Test on an inconspicuous area before using. Wear eye protection and rubber gloves during use. Formula may stain clothes and shoes – dress appropriately. This product will not remove pigmented wood stains or sealers.

To kill mold and mildew: Apply full strength with a plastic garden sprayer. Wait 10 minutes. Thoroughly rinse off surface and surrounding area.

To clean and/or remove mold and mildew stains: Apply full strength with a plastic garden sprayer. Wait 5-10 minutes. Thoroughly rinse off surface and surrounding area.

**STORAGE AND DISPOSAL:** Store with lid closed in areas inaccessible to children, in a cool dry area, away from direct sunlight and heat to avoid deterioration. **Container Handling:** Nonrefillable container. Do not reuse or refill this container. Offer empty container for recycling or discard in trash. Do not reuse this bottle for any other purpose.

### PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals.

**DANGER. CORROSIVE.** Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear goggles or safety glasses and rubber gloves when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**FIRST AID: IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call the Poison Control Center at 1-800-222-1222 or doctor for treatment advice. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call the Poison Control Center or doctor for treatment advice. **IF SWALLOWED:** Call the Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the Poison Control Center or doctor. Do not give anything to an unconscious person. Have the product container or label with you when calling the Poison Control Center or doctor, or going for treatment.

**Physical and Chemical Hazards:** This product contains an oxidizing agent. Do not use or mix with other chemicals. Prolonged contact of undiluted product with metal may cause pitting or discoloration.  
**Environmental Hazards:** This product is toxic to fish and aquatic organisms. To protect the environment, do not allow pesticide to enter or run off into storm drains, ditches, or surface waters.
